## Pet Protection

Quick assembly pet run, ideal for chickens, rabbits, guinea pigs and other small animals. 4mm diameter mesh netting for a protective pest barrier, sun shading and cooling ventilation. Large zipped doors at ends and middle for easy access and attaching to chicken coops and other pet houses. Quick to build in 5-10 mins, with no tools needed. Convenient space saving bag for easy storage.

## Sizes

2 x 1 x 1m H, 3 x 1 x 1m H, 5 x 1 x 1m H  
3 x 1.5 x 1.5m H, 5 x 1.5 x 1.5m H
